*Ushers/Greeters should distribute bulletins, but more importantly greet and welcome. It is very important that we make guests feel at ease by answering questions, letting them know about Open Communion, our nursery, Sunday School, signing the guest register, etc. Ushers/Greeters are also responsible for making coffee, providing punch, cookies, etc., and bringing the bread and wine to the altar prior to the offering.

Call Kate Roussel (985-359-1797) if you have any questions.

Please call another team on the list when you cannot be present as scheduled and arrange to switch Sundays with them.
